

HE225/265

Whole-house Bypass Humidifier

Honeywell

Maintain your home's most comfortable humidity level automatically with a Honeywell Whole-house Humidifier. Proper humidity provides a more comfortable living environment at a lower temperature, so you can turn down your thermostat for energy savings. Controlling humidity also means moisturizing dry air to prevent damage to hardwood floors and woodwork while preventing excess moisture. Enhance and protect your home with a Honeywell Whole-house Humidifier.

HE225/265 Whole-house Bypass Humidifier

ENHANCE AND PROTECT YOUR HOME.

Peace of Mind —

Moisturized air helps to prevent dryness and protect woodwork throughout your entire home.

Energy Savings —

Adding humidification can help save on energy bills. Turn down the thermostat because you'll be more comfortable at a lower temperature.

Seasonal Damper —

Allows for easy control of humidity from season to season.

Up To 17 Gallons Of Water —
Evaporated into the home per day.

Humidicalc® Control —
Self-regulates to provide optimum humidity.

H1008 Humidicalc® control standard with B models.

Simple Maintenance —

Replacement humidifier pads can be purchased from and/or installed by your heating and cooling professional, and also fit Aprilaire® Humidifiers*.

* Aprilaire is a registered trademark of Research Products, Inc

Exclusive AgION® Humidifier Pads —
Feature an anti-microbial coating which helps inhibit the growth of molds, bacteria, fungus and algae on the pads.

PerfectFLO® Distribution Tray —
Helps ensure that moisture is distributed evenly.
